

Halt The Invasion!

Invasive Weed Clearing

Frampton Cotterell

Saturday 26th June 2010

Himalayan Balsam
(*Impatiens glandulifera*)

We are being invaded! Non-native Invasive Weeds and other alien species are a huge threat to biological diversity.

We will be tackling an invasive weed called Himalayan Balsam, which is in abundance along the banks of the river Frome. This weed is a problem because it out-competes native plant species and takes over, and it also causes problems such as erosion of river banks.

Halt the invasion! - and help us follow up last years successful event. If you would like to get involved in the weed pulling event please come along for all or part of the day. **All are welcome.**

Date: **Saturday 26th June**

Time: **10:00 - 13:00**

Meeting at the **Community Orchard Open Space**, Church Road, Frampton Cotterell, Bristol

Please wear a long sleeved top and trousers which you wont mind getting dirty and either Wellington boots, walking boots or other sturdy footwear. You will be provided with gloves, and a first aid kit will also be available.

Please bring your own packed lunch and plenty to drink.

If you need more information call Victoria Freke (AIWF) on 07795 602068.
